Dear Parents,

Wow, summer is here already and it's time to grab our sunscreen and hit the beach. But...don't forget that book for summer reading! During the summer months we want the students to continue to develop reading comprehension, so each student has been given a summer reading list to complete. Each student is required to read the book listed under Required Reading. They may then read one book of their choice listed under Kid's Choice Reading. If your child so chooses, he or she may pick one of the books listed under Challenge Reading. The students will complete the book report form for each book read. They will bring the book report to school when they return in August.

Happy reading!! ☺
