

Where? When?

- VCA's Summer Program is taking advantage of Faith Landmarks Ministries' brand new Youth Building! Facilities include spacious classrooms, outdoor playground, and a large gym!
- The program runs from June 9 – August 21, 2009 and operates daily from 7:30 AM to 6:00 PM.

What? Why?

- Children will engage in sports activities, arts and crafts, games, music, dance, drama and field trips! Children will also attend FLM's Vacation Bible School in July!
- The goal of VCA's Summer Program is to give your child a Christian environment to have fun and stay busy in—and they might even learn a little bit!

How?

- Fill out an application or fax a copy of the application to the VCA Office! An application fee applies (\$25 for a single child, \$40 for multiple children).
- Each week of attendance costs only \$125 and is due on the Monday of the week before you wish to use the program.
- The program operates on a **prepaid** basis. A deposit of \$125 is required for the first week of the program.
