The Story of Doctor Doolittle by Hugh Lofting (Yearling Book)

Dear Parents,

Wow, summer is here already and it's time to grab our sunscreen and hit the beach. But...don't forget your book for summer reading! During the summer months, we want the students to continue to develop and enhance their reading comprehension, so each student has been given a summer reading list to complete. Summer reading is very important to maintain and enhance already acquired reading skills. It also encourages developing a lifelong habit of getting lost in a great book. Each student is required to read the books listed under Required Reading. They may then read one book of their choice listed under Kid's Choice Reading. If your child so chooses, he or she may pick one of the books listed under Challenge Reading. The students will complete the book report form for each book read. They will bring the book report to school on the first day of school in August.

Happy reading!! ☺
