As a VCA family, we understand that tuition only covers a portion of the total school program costs. Additional funds are necessary to operate the school and meet over-all budgetary needs. We pledge our participation in all school-wide fundraisers (or opt to make payments), raising the required minimum of \$400 net profit per family, before March 1st of each academic year. We further understand that all sports teams also sponsor their own individual fundraisers for their participants.
